

JESVRVM
VENEZIA 1870

THE MOST EXCLUSIVE VENETIAN HOME LINEN MADE IN ITALY

JESURUM VENEZIA 1870

Founded in Venice by Michelangelo Jesurum in 1870. In over 150 years of history, Jesurum has always produced exclusive household linens with the highest level of fabrics, embroideries and top quality finishings, all made and produced in Italy.

Jesurum's products cover all tastes in linen for the home, yachts, private jets, luxury hotels and luxury cruise ships.

The collections revive and reinterpret the tradition of Venetian lace and embroidery with a modern twist. Additionally Jesurum has developed an important division dedicated to product customisation.

The company works with professionals representing the customer to create unique articles produced in a limited edition exclusively for the customer.

NEW COLLECTIONS

4

CAP FERRAT

The Cap Ferrat Collection evokes the luminous and sophisticated atmosphere of the Mediterranean coast, where the scent of the sea meets villas suspended between sky and waves.

5

KANDINSKY

The Kandinsky Collection reinterprets abstract art and the visual poetry of the Russian master.

MACRAMÈ

Macramè pays tribute to the ancient maritime art of hand-knotted and intertwined threads.

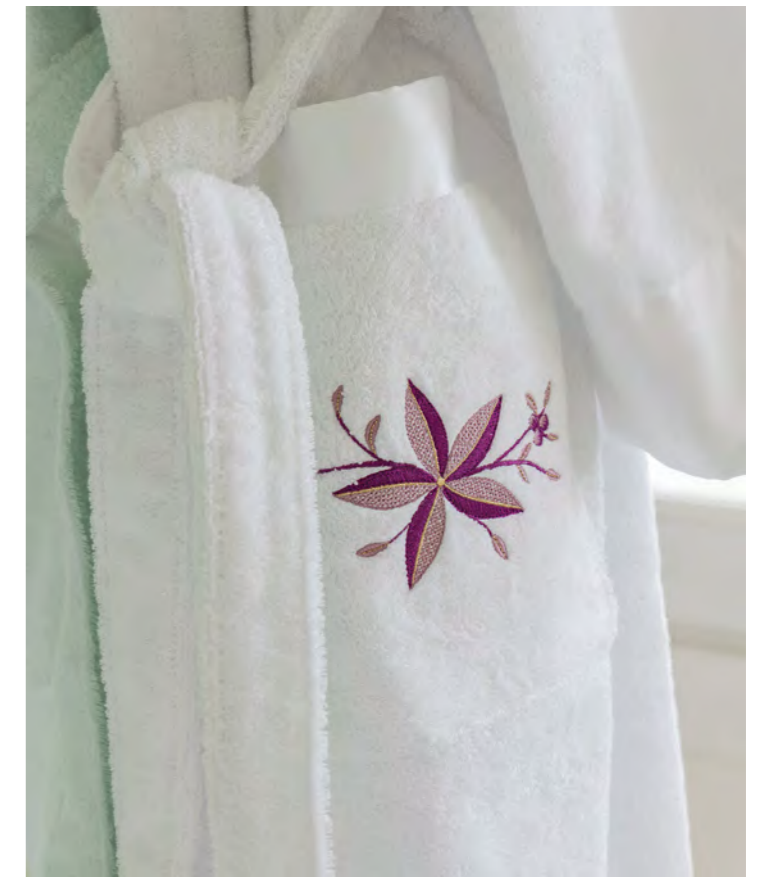

TAHITI

Refined floral motifs evoke the tropical charm of Polynesian blossoms — symbols of natural beauty and vitality.

TULIP

Graceful embroidery and delicate shades trace petals that seem to bloom across the fabric's surface.

IOI

The contrast of a wide border paired with a thin stripe creates a timeless look. Available in several colors.

5 BOURDON

The design, with three embroidered lines that are available in one or two tones, can be infinitely customized, with several fabric and embroidery colors to choose from.

AMSTERDAM

The Jesurum Amsterdam collection is a nod to that city known as the "Venice of the North". The tight three-colored embroidery recalls the city's water canals and its lush gardens. A sophisticated bath, bedroom and table linens collection with modern flair.

AQUARELLE

A simple and linear embroidery, enhanced by the possibility of mixing different colors.

ASPEN

A modern look created using a two-tone zigzag embroidering technique.

BALI

According with our new "tradition" Jesurum devotes one collection to a different culture: Bali. Threads of two different colours, two embroidery techniques, a new design that seems to creates many small turtles, a homage to Bali: the Turtle kingdom.

BORA BORA

This clean and modern embroidered three-stripe design brings freshness to any space, and is available in an infinite array of colors.

BUBBLES

A modern lace to keep an eye on tradition but giving a contemporary touch. The new collection Bubbles combines the classic style with modern elements. A three colours embroidery that creates some small spheres and semi-spheres gently "lying" on a tulle base.

CAROL BYSSUS & ORGANDY

Organdy and exquisite sea silk, once used in royalty's most precious garments, combine to create the beautiful simplicity of this embroidered design.

CAROL

Undulating, ogee-inspired border in gorgeous embroidery. Available for bed, bath, and dining.

GONDOLA

This collection's gentle wave border creates a subtle tribute to Venice's iconic gondola. Available for bed and bath.

HIMALAYA

A modern yet timeless look created with a monochromatic zigzag embroidering technique.

ICEBERG

Lines and geometric shapes bump into each other to create a collection that represent the revival of the "essential".

IKEBANA

Jesurum pays tribute to Japan by capturing the enchantment of cherry blossom season with the new Ikebana collection.

J DREAM

A tribute to our brand: a twine of "J" creates a dream collection.

LISBOA

Subtle complimentary hues and lines create this modern and clean look.

MADAMA

Three embroidery techniques and rich colors are combined to create the geometric circles of the Madama collection.

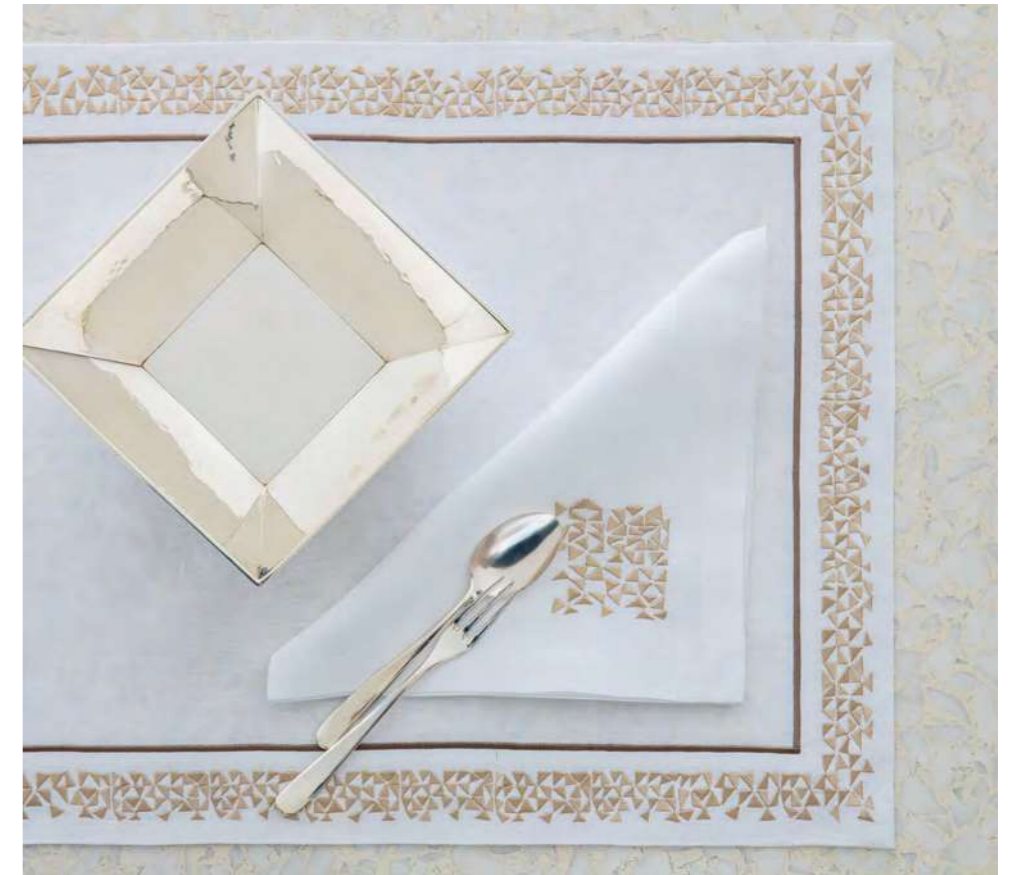

MASAI

According to tradition, this year, Jesurum dedicates a collection to different part of the world, this year we chose "Africa". Its colors and its ethnic style have inspired the realization of the MASAI embroidery. The "strictness" of embroidered lines matches the creativeness of the design made of little specular pieces.

MIRANDA

The "Miranda" collection satisfies all tastes. The colours combination of sateen applied on linen, terry, cotton satin and percale will create an ever new design.

MOSAICO

Applied lace to capture the essence of a mosaic lends a contemporary look. Available in several colors.

NAMASTÈ

The Namastè collection is a return to the simplicity and to the geometric linearity. Embroidered parallel lines, chasing each other endlessly, characterized by two contrasting colours.

NAVAJO

Every year Jesurum is dedicating one of its collections to a different population. Navajo is a nod to the Native Americans. Starting with a handmade design on a jute like fabric, the collection's table, bath, and especially the bedroom linens with its sateen border features a design reminiscent of the indigenous people.

ORIENTE VENEZIANO

Colorful, scalloped embroidery with hand-cut borders marries the modern and the classic.

PACIFIC

A collection that evokes the Ocean, with its bicoloured embroidery that reminds the graceful movement of the waves.

PEACOCK

The Art Decò is back! Its characterist classic shapes with a geometrical and modern taste, always charming. A group of bicoloured embroideries to satisfy all the styles.

PINTUCK

Contrasting pintuck borders available in several colors, or in our exclusive Jesurum jacquard in grey or ivory.

PITON

A sequence of embroidery that evokes the essence and the majesty of the mountain, recalling the moments of climbing.

70

PLUMES

The Plumes collection is defined by an embroidery that reads like a poem. Three different color threads intersect to form delicate feathers, a delicate and fresh design that can be applied to bed, bath and table linens.

71

SAINT TROPEZ

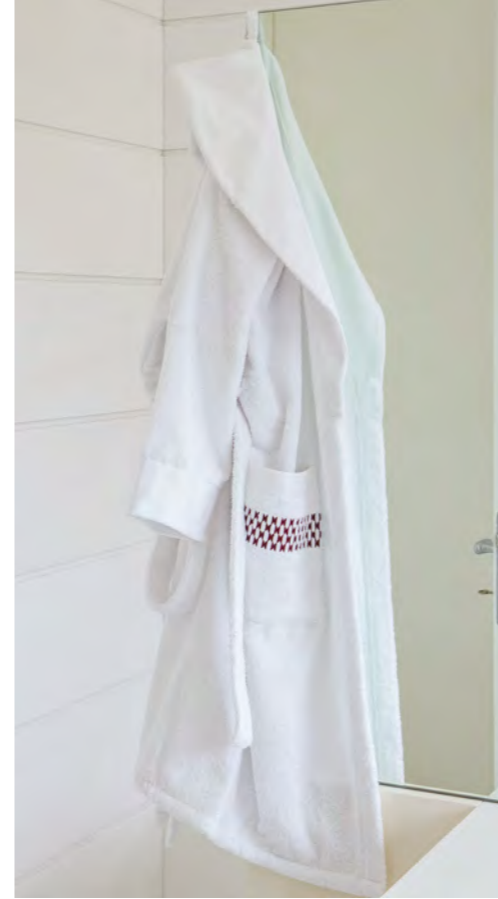

The Saint Tropez collection is crafted from premium fabrics: satin for the bed, cotton terry cloth for the bathroom, and linen for the table, all enhanced with elegant satin and cotton thread embroidery in colors inspired by the French Riviera. A perfect combination of tailoring techniques and appliqué details, featuring blue satin bands and refined linear red embroidery.

SMOCK

The smocking, an storical "embroidery by hand" tecnique has inspired this new collection that takes the name from it: SMOCK. A geometrical embroidery, eye-catching and contemporary.

TANGERI

A refined embroidery inspired by *Asplenium Parvati*, a graceful fern found in Earth's lush tropical regions.

TIBET

This collection is inspired by the Tibetan plateau. Its geometric embroidery features different techniques. It a collection for those who prefer a modern design.

TIVOLI

A geometric embroidery inspired by Villa Adriana in Tivoli and its iconic hexagonal mosaics.

TRICOT

A best-selling design of contrasting borders that frame bed, bath, and table linens in a clean and timeless look.

VENEZIA

Refined scalloped borders in rich colors hand-stitched to versatile cotton define the Venice collection.

CANESTRELLO

This embroidery, with its strong ties to Venice, is distinguished by its rich colors and intricate details.

LEONE

The symbol of Venice, captured through bold colors and detailed embroidery.

MORETTO

An important protagonist in the history of Venice, The Moore of Venice, is captured through detailed, intricate embroidery and rich colors.

CLASSIC

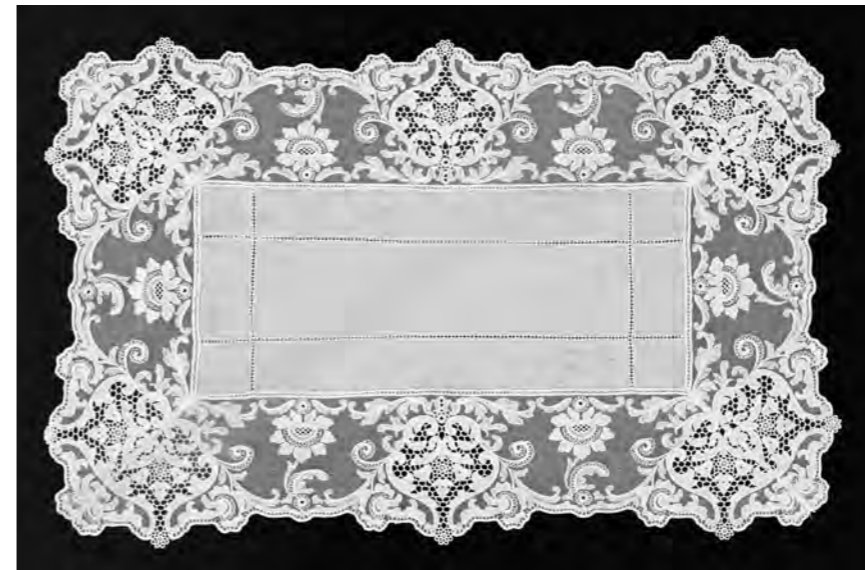

ARGENTAN

Tulle embroidered with lustrous floral motifs in tone-on-tone ivory or white. Available in cotton sateen for bed and linen for dining.

BURANO

A delicate meld of techniques: macramè, embroidered tulle, and relief work in ivory or white. Available in cotton sateen for bed and linen for dining.

CA' D'ORO

A new lace encloses all the symbols of Jesurum: Venice and the Canestrello. The name is inspired by the Venetian palace overlooking the Grand Canal to homage the city where the brand was born. The Canestrello, a current motif into this lace, the historic icon of the brand.

CARAVAGGIO

A collection in lace macramè on embossed acetate. Available in white or ivory.

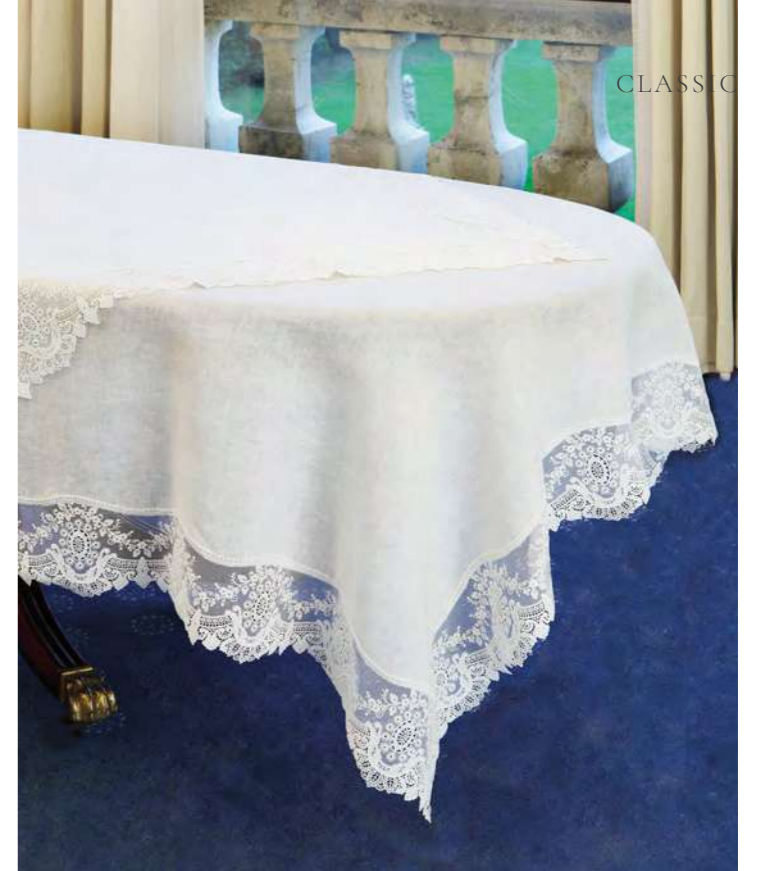

DUCALE

Jesurum Venezia 1870 dedicates this collection to its hometown, Venice, in honor of the city's 1600th anniversary.

Refined lace on tulle, in white and ivory, available for bed, bath, and dining.

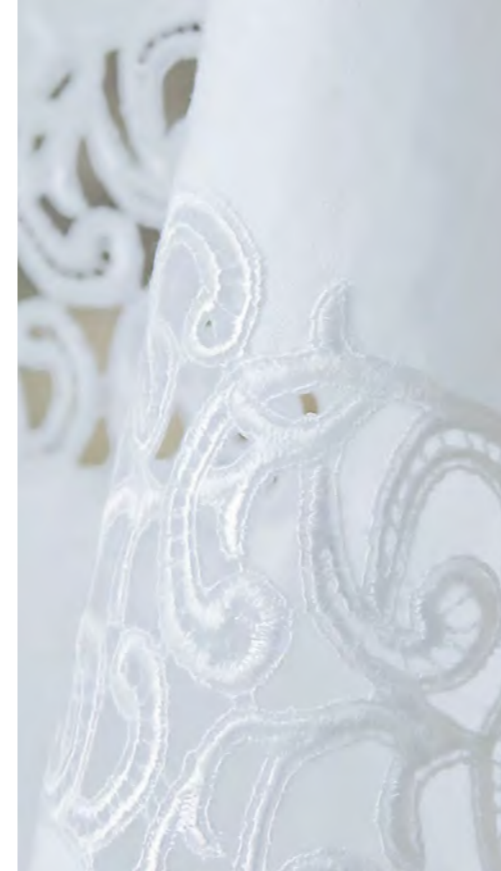

FENICE

Lustrous macramè lace that brings to life the Serenissima Republic of Venice's symbol of excellence: the lion.
Available in several colors for bed and bath.

MORESCO

OLIMPIA

Olimpia is the newest collection. It features a Merletto with curlicues that is hand cut and applied to its table, bath, and bedroom linens.

PALLADIO

Intricate san gallo eyelet lace embroidered on cotton muslin, available in monochrome and two-tone. Available together with cotton sateen and percale for bed and terry for bath.

REGINA

Sumptuous macramè lace on acetate.
Available in gold, silver, and cream.

RIALTO

A princess favorite. A romantic collection in tulle with embroidered floral motifs and scalloped borders, available in white or ivory.

RICCIO

Hand-cut linen embroidered on organdy. Lace border available in ivory, white, white/silver. Cotton sateen for bed and linen for dining and terry for bathrooms.

SERENISSIMA

Intricate lace embroidery available in white, gold/lurex or ivory on tulle, created using a distinctive and elaborate technique.

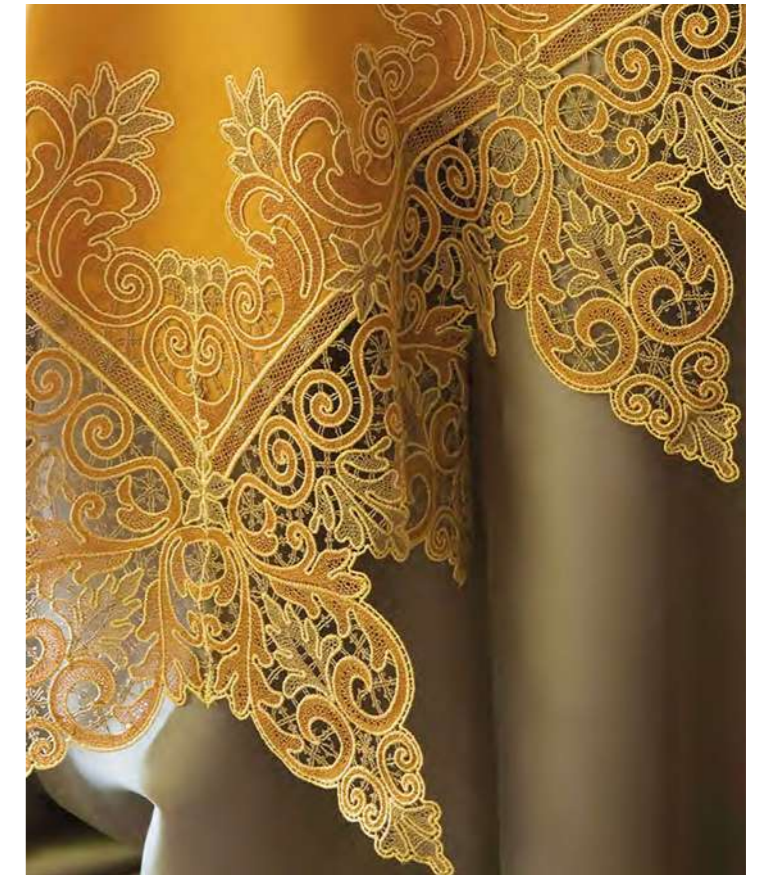

TIZIANO

A late 19th century Jesurum design born a new in macramè lace, available in cream, yellow, and yellow/red, light blue.

Cotton sateen for bed, linen for dining.

Designed by Michelangelo Jesurum in 1910, this macramé lace design won the grand prize at the Barcelona international exhibition in 1929. Available in cream, cream/lurex, light blue, total white, white-gold/lurex.

VENICE

VOLIERE

Macramé embroidery with exquisite detailing; a true classic.
