

VILLARI

NEWNESS 2025

Villari returns to Milan Design Week 2025 with a renewed vision, unveiling a series of exclusive novelties that fuse the elegance of classic Italian craftsmanship with contemporary aesthetics. The new pieces highlight the brand's dedication to porcelain as a medium of artistic expression, capturing the soul of timeless design through refined silhouettes, intricate textures, and radiant finishes.

#### Where Elegance Meets Expression

The exhibition invites guests to explore an immersive environment where each room is a story, each creation a chapter. Chandeliers bloom like sculptural gardens, mirrors reflect unexpected perspectives, and vases emerge as delicate architectures of form. This year's collection builds on Villari's legacy of fine artisanship, with a fresh language of design that speaks to a global audience while remaining deeply rooted in Italian tradition. A journey of light, form, and material awaits those who step into this world of refined imagination.

# VILLA HÉRITAGE

BY PIERRE-YVES ROCHON

«La grande sfida per me è stato raccontare una storia diversa». Pierre-Yves Rochon firma, al Salone del Mobile, la ricostruzione di una villa che racconta il dialogo tra memoria e innovazione

AD Italia, Elena Dallorso © 2025

In the enchanting setting of Villa Heritage, where history whispers through every wall, Villari unveils its timeless creations alongside the visionary elegance of Pierre-Yves Rochon. A symphony of porcelain, light, and craftsmanship comes to life, weaving stories of beauty and tradition with every curve, every detail.

Here, art becomes heritage, and heritage becomes emotion — a delicate dance between past and present, where Villari's poetic vision invites guests to rediscover the soul of Italian savoir-faire.
